

If it's painted and it moves, it needs protection.

Beware...

Bugs, rocks, sand and other various road debris begin attacking your vehicle the second it leaves the showroom floor. Until recently the only practical solution to these problems were vinyl/leather bras that offer poor coverage and often cause as much damage as they prevent.

Times have changed...

Thanks to advancements in technology a better solution has become available:

PROFORM Paint Protection Film (PPF)

PROFORM PPF features:

- High strength industrial urethane, resistant to puncturing, discoloration and cracking
- Pressure sensitive adhesive
- Virtually invisible, will not alter vehicle's appearance
- OEM approved
- 5 year limited warranty

PROFORM PPF protects against:

- rocks
- bugs
- salts
- sand
- small road debris
- minor impacts

Standard coverage includes:

(but not limited to)

- Bumper
- Fenders*
- Hood*
- Mirrors
- Headlights**

* 48inch hood and entire fender coverages available

** 20mil film available
